Employee of the Quarter

The Ashland Police Department would like to announce that Investigator Matthew Hileman has earned the Employee of the Quarter Award.

Over the past three months Investigator Hileman has solved two sexual assaults, one resulted in the arrest of a case more than a decade old. As a result of his investigation other victims were identified and charges were obtained.

Investigator Hileman showed great compassion toward the victims and their families and spent several days working well past normal work hours to bring this case to a close. Investigator Hileman called the victims daily to advise them of the status and kept them informed about the case.

Investigator Hileman worked with Investigator Aigner and arrested two subjects involved in three breaking and entering cases. Investigator Hileman has performed a fine job and as usual he represented the Ashland Police Department and its citizenry well.
