The Ashland Police Department would like our community's assistance in providing us with feedback on the performance of our duties. "Constant review of performance measures, to include community feedback is key to the success in completing our mission," said Chief Doug Goodman. Surveys will also be available at the Town of Ashland Municipal Building and the Ashland Police Department for those who do not have internet access. Surveys will be accepted until October 15, 2010 and we thank the community in advance for their assistance.
